

# THE UNSEEN

“THE ONLY THING MORE TERRIFYING THAN HOW IT STARTED... **IS HOW IT ENDS!**”

## They will never stop!

### IDENTITY THEFT

- Monitor your bank and credit statements regularly.
- Review your credit report at least once a year.
- Password protect all documents with PII.
- Do business with only trusted companies/websites.

## Was that the Boogeyman?

### PHYSICAL SECURITY

- If something doesn't look or feel right (**J.D.L.R – Just Doesn't Look Right**), alert management first, then Corporate Security or call 911 if necessary.

## Stop it! Stop it! Stop it!

### PASSWORDS

- Passwords are keys to your digital life – keep passwords unique and never reuse the same password more than once.
- Never save your password to your browser.
- Never share your password with anyone!

## Terror Never Sleeps

### IDENTITY PROTECTION – SYNTHETIC IDs

- Keep all documents with personal information safe and secure. Before discarding any document containing personal information, be sure to shred them.
- Limit the use of personal information on social networking sites.
- Shred documents with PII before discarding them in the trash.
